12th January 2017

Dear Parent/Carer,

IMPORTANT NOTICE

I am writing to let you know that there are reports of possible sleet and snow forecast for Friday.

School and Transport companies will carry out risk assessments if the snowfall occurs and weather conditions are considered dangerous. In this event, School may need to be closed for Friday. School would inform Transport companies and any parents/carers who transport their children into school (who do not access ParentApp) as soon as possible before the start of the school day.

School will also post information on the ParentApp, the Bluebell Park page on Facebook and on our Website www.bluebellparkknowsley.co.uk

If school is shut for more than one day all parents/carers will be updated via these websites or ParentApp.

Therefore, if this event does occur, do not expect your child's bus/taxi to arrive. If you have any queries, please ring your Transport company or your driver/escort (you should have their phone number). Hopefully, if all goes well, school will be open as normal.

It is important that you have childcare arrangements in place for this eventuality.

Yours sincerely

Michelle Slater Jamie Campbell
Acting Headteachers
