

Bluebell Park
Long Term Planning Cycle
2018-2022

In this pack is the Long Term Planning from TLRs. Please use these to inform your medium and short term creative planning:

Some key messages we want you to be aware of are:

- The document is to support your creative curriculum that drives the subject element (the vehicle) of your lesson, rather than to inhibit how you teach what is important to the child. Further ideas on title can be found here: T:\Bluebell Park\CURRICULUM\! THEME TOPIC CYCLE\LONG TERM SUPPORT DOCS
- We are teaching with the child at the centre, Child>EHCP>Pathway>IEP>Midterm>Lesson>Assess>Repeat.
- You do not have to cover all areas and it has to be tailored to suit your class.
- In case you miss an opportunity within the creative curriculum – why not fill in a year plan so that your pupils don't miss an opportunity.
- All TLRs are keen for feedback– we actively invite you to talk through how a certain subject or parts of the curriculum is taught within your class.
- The plans are adaptable & moveable – e.g. base it on the needs of the pupils
- PLEASE Remember the Child comes first and you are teaching the 4 areas of SEND: **Cognition & Learning**, **Communication & Interaction**, **Physical & Sensory**, **Social, Emotional & Mental Health**

WHOLE SCHOOL BLUEBELL PARK TOPIC CYCLE OVERVIEW

	Week 1	Autumn	Spring	Summer
1 st Year 2018/2019 2022/2023	<u>New team, time Table & Safety</u>	<u>Celebrations</u> Every Day Celebrations National Festivals Who? What? Where? When? Why? Calendars Life's Celebrations	<u>Past, Present & Future</u> Dinosaurs Time & Time Travel Inventors A Walk in time Air transport through time/Space	<u>Up, up and Away</u> Seaside Holidays of the past Journeys Transport Road Safety Foreign Features/World Cup
