

Bluebell Park Humanities Leader

Overall Job Objective: To work with staff leading the delivery of Humanities (History/Geography) across the age and ability range. This will include mapping pupil progress for the area and identifying areas for development to inform school improvement.

Responsibilities

- To work with all colleagues developing learning and teaching opportunities in the subject
- To undertake a lead role in the establishment and monitoring of the delivery of the subject
- To work with other curriculum leaders when subject linkage is identified
- To monitor learning and teaching in Humanities throughout the school
- To take responsibility for school improvement planning in Humanities
- To ensure resource needs are identified for effective delivery and fall within budgetary restraints
- To provide an annual report to Governors on pupil progress and other developments in Humanities
- To undertake necessary and appropriate training
- To identify training needs of the staff relating to Humanities
- To maintain knowledge of developments in Humanities both locally and nationally
