Dear Parents/Carers,

Following announcements from the Education Minister Bluebell Park remains closed to all pupils apart from a small number who meet the criteria set out by the Government.

We also continue to have very low staff numbers and can only operate with a small number of pupils which we have to prioritise. We are working with other agencies and will be in touch with you again shortly. Please continue to check our website and parent app for information.

We have been preparing school work and activities which we will get out to you this week.

We have set up 2 emails for you which will be monitored daily:

School work related queries: homelearning@bluebellparkknowsley.co.uk

General queries: generalenquiries@bluebellparkknowsley.co.uk

We will endeavour to get back to you as soon as we can.

Thankyou for being so understanding and co-operative at this time. Please keep yourselves and families safe.

Jamie Campbell.
