15th July 2020

Dear Parents/Carers,

We hope this letter finds you all safe and well during what has been a turbulent school year. We are all really looking forward to welcoming your child back in September and hope that you can make use of the transition booklet on our website. We will also send you a specific one for your child which will reach you this week along with other information such as the measures we have in place.

We understand that the transition back into school for your child is very important and that it may take additional time to adjust to school routines again. We wanted to ensure that we share with you our education offer for September before the summer holidays.

We will be using a 'blended learning' offer to support the transition and beyond where needed which allows work to be available when not in school. Our 'recovery curriculum' will support pupils back to learning as quickly and appropriately as possible. Your feedback was central to designing this and you can find out further information on our website and on the sheet you have been sent.

To support this we are planning to transition back to school in the following manner over the first week as follows:

Thursday 3rd September	Pupils in Group A will return to school for transition
Friday 4th September	Pupils in Group A will return to school for transition
Monday 7th September	Pupils in Group B will return to school for transition
Tuesday 8th September	Pupils in Group B will return to school for transition
Wednesday 9th September	INSET training day (in place of usual November day)
Thursday 10th September	All pupils in (groups A and B)
Friday 11th September	All pupils in (groups A and B)

Your teacher will be in touch with you to let you know which group your child is in.

Please be assured we will work with you to ensure that every child's needs are considered during the transition back into school. If you have any questions please contact your class teacher in the first instance.

Yours Sincerely,

Jamie Campbell.
