11th January 2021

Dear Parent/Guardian.

Here at Bluebell Park School one of the Apps that we use to record your child's work and progress is called 'Evidence for Learning (EfL)'. EfL is used for both recording and reporting your child's learning & progress, via 'snapshots', and to **access the Home Learning offer**.

Home-learning & Parent Portal

Parent View Portal access allows you to regularly obtain their home-learning and to share your child's work, achievements and WOW moments with us. These can include comments of what you and your child felt about their work and how well they are doing online.

To access our Home-Learning offer please reply to this email, by doing so you will be giving your consent to receive the data. Once we have received your consent you will receive two automated emails from 'TheTeacherCloud'. One containing a link to your child's Parent View Portal and the second with your password. You can change the password to one of your own choice when you first login.

Support / Updates /Reminder

To keep you updated and provide support we have a dedicated EfL page on our school website <http://www.bluebellparkknowsley.co.uk/home-learning/>

A strong reminder that information/data stored within the Portal is **confidential**. Please do not take screen shots of your son/daughters work to share with others and/or upload onto any social media platforms. Please **do upload** photos of your child engaging in the learning to the parent portal, but **do not send to anybody else**.

If you have any questions do not hesitate to contact us.

Many thanks,

Sefton Booth, AHT Post 16
