12<sup>th</sup> February 2021

Dear parents/carers,

We are at the end of another half term - one in which we could never have anticipated happening this time last year.

I want to take this chance to sincerely thank you for your support in following guidance to help us keep everyone safe and for your understanding that we are all doing our very utmost to keep our school open even though we have at times had over 40% of staff unavailable through COVID.

We are following Government guidance and review this in line with any changes or updates. As there are no current changes and rates remain high we will continue to provide home learning for all pupils each Friday afternoon. We also continually review our processes and appreciate all the feedback we have had which help us to hone our processes and procedures. There has been some lovely feedback which staff have been very grateful for.

I also want to remind you of the best ways to contact us during this time, particularly if your child tests positive on a weekend or in the holidays.

**School email** – [bluebell.park@knowsley.gov.uk](mailto:bluebell.park@knowsley.gov.uk) (monitored during usual school hours)

**Home learning** - [homelearning@bluebellparkknowsley.co.uk](mailto:homelearning@bluebellparkknowsley.co.uk) (monitored during usual school hours)

**Out of hours Covid text line** – **07783309916** (This text only service will be checked once daily during the weekend and holidays) **Please note that it is a text service only not a phone line.**

Details needed are pupil name, date symptoms started, date of positive test. You will then be contacted. Hopefully this will help in allowing us to notify the relevant families as soon as possible.

I do want to thank you again for your support and understanding throughout this pandemic. I know it isn't easy for all of us but we remain committed to getting through this together. As always, please contact us if we can help in anyway.

Finally can I wish you all a very safe and restful half term.

Jamie Campbell (Headteacher)
