

Bluebell Park Accessibility Plan

Bluebell Park is a school for pupils with severe and complex learning difficulties. The Pfi building was specifically designed and built in 2012 to cater for specific needs. We continually work to meet the needs of our pupils' requirements in order to provide an exciting and safe learning environment. We work with a number of stakeholders to review and adapt our provision accordingly.

Curriculum				
Area for development	Action	Target date	Completion date	Review
Revised assessment methods	Revisit review of assessment methods to reflect changes in curriculum and ensure that all pupils achievement are able to be recorded. Other ways of recording progress explored	March 2023
